University of Delhi

Thursday, 16 December 2021 (9:30am-05:30pm)
Venue: Conference Centre, North Campus, University of Delhi

The University of Delhi is known for its leading role in promoting educational programmes and its outreach to all sectors of society. As we enter the centenary year of the journey of the University of Delhi, we feel privileged to host an Open-House Discussion in collaboration with the National Council for Teacher Education on two important aspects of the National Education Policy 2020 to offer a platform for deliberations with various stakeholders.

The Open House Discussion is visualised as a platform to invite inputs / suggestions / feedback on National Professional Standards for Teachers (5.20) and National Mentoring Mission (para 15.11) of NEP 2020. The NSPT has been designed to ensure quality in Teacher Education and sets out for equitable access to the highest-quality education for all learners. NMM attempts to serve as a guide to different stakeholders in the education landscape, exploring mentoring as a solution to leverage the available expertise within the system.

The Open House Discussion will be divided into two sessions, each being focused on sharing and exchanging ideas on NPST and NMM.
